Gillette, WY 82716

RE: Letter of Compliance, Docket # 4283-08, Settlement Agreement

Gentlemen:

The Department of Environmental Quality (DEQ), Water Quality Division (WQD) issued Notice of Violation Docket Number 4283-08 to Windy Ridge Development, LLC and Bruce Engineering, Inc. The NOV alleged that a treatment facility had been constructed without a permit, which is in violation of Water Quality Rules and Regulations (WWQRR).

The Settlement Agreement required Windy Ridge Development, LLC to pay a total penalty of five thousand, five hundred and no/100 dollars (\$5,500.00) to the DEQ. Based on the June 5, 2008 meeting and receipt of the \$5,500.00 penalty by DEQ, Windy Ridge has complied with the conditions of the Settlement Agreement for Docket Number 4283-08 and the DEQ finds that all terms have been satisfied. Docket #4283-08 is closed. Enclosed, please find an original signed Settlement Agreement.

Sincerely,

Louis B. Harmon  
Water and Wastewater Program Manager  
Water Quality Division

LBH/bb/8-0448
